Keep Georgia Beautiful

Green Starts Here

Keep Georgia Beautiful believes that going green starts at the community level when people come together to improve the place they call home. Activities that occur during the Great American Cleanup spark awareness and grow an interest to get involved. From cleanups to electronics recycling, environmental education events to planting trees, and cleaning up graffiti, you can be part of a volunteer movement more than 80,000 strong in Georgia and 3 million strong nationwide. Find your local coordinating organization today at www.keepgeorgiabeautiful.org
